Case No. 4:10CV2383 JCH (NAB)

**ORDER**

This matter arises on the Report and Recommendation of United States Magistrate Judge Nannette A. Baker, filed February 14, 2012. (ECF No. 17). See 28 U.S.C. § 636. In her report, Magistrate Judge Baker recommends that the Court reverse the decision of the Commissioner and remand this case for further proceedings. Neither party has filed objections to the Report and Recommendation.

After review of the entire record in this matter, the Court concurs in the Magistrate Judge's findings and will adopt the Report and Recommendation. Specifically, the Administrative Law Judge ("ALJ") will be directed to obtain clarification from the vocational expert as to the number of masker, semiconductor positions that are available to an individual of Plaintiff's age, education, work experience, and residual functional capacity ("RFC"), and then determine whether the number of jobs available to Plaintiff constitutes a significant number. The ALJ will also be directed to consider the third-party function report provided by Terry Hinson, make an express credibility determination regarding Mr. Hinson, and explain the reasons for the credibility determination.

Accordingly,

**IT IS HEREBY ORDERED** that the Report and Recommendation of the Magistrate Judge (ECF No. 17) is adopted and incorporated herein.

**IT IS FURTHER ORDERED** that, pursuant to sentence four of 42 U.S.C. § 405(g), this matter is reversed and remanded to the Commissioner for further proceedings consistent with the Magistrate Judge's Report and Recommendation and with this Order. A separate Order of Remand shall accompany this Order.

Dated this 29th day of February, 2012.

/s/Jean C. Hamilton  
UNITED STATES DISTRICT JUDGE
